

JUBILEE
WOMEN'S CENTER

“*The smallest light*
has greater power
than the largest
darkness”

~ Matshona Dhliwayo

The gift of hope

It's that time of year where the days are a little colder, the nights a little longer, and the neighborhoods are a little quieter. Lights adorn the trees lining the streets like twinkling stars and the zeitgeist of days gone by begins to slowly engulf us in nostalgia. We are reminded of the triumph of the human spirit and the inherent goodness of mankind. We hold our loved ones a little closer, greet our neighbors with good tidings and smiles, and find peace in the arms of our dear friends. Like a candle glowing steadfast in a frosted window, a simple symbol of warmth and comfort, we are reminded that even in the darkest hours there is always a light to guide us home.

As you begin to think of the ways you can spread your very own light and warmth this holiday season, we ask that you please open your hearts and give to the women of Jubilee.

Of course, a one-time monetary donation is always welcome and greatly appreciated! We wanted to further outline some additional ways you can support Jubilee Women's Center. Whichever way of giving feels best to you, we believe that no matter how little or much a person has, a gift given with others in mind can make an **extraordinary impact**.

During 21/22 Jubilee served over **2,000 women in the community** with the resources that benefit from our in-kind donations.

A simple gift of \$30 a month will provide a monthly session with our behavioral health support specialist.

3 ways to give

A GIFT OF KINDNESS

In-kind donations of clothing, community meals, hygiene supplies, home-goods like bedding and towels, or your skills and time are always appreciated and have an enormous influence in the lives of the women we serve. Whether you are a congregation, corporation, individual, or volunteer group there are plenty of ways to support Jubilee!

A GIFT IN HONOR

Giving a donation to Jubilee in honor of a friend, family member, or colleague can be a wonderful way to highlight the giving spirit of the holiday season. Each honoree will receive a personal note acknowledging their incredible gift. All gifts are tax-deductible, and each gift helps to provide essential services to the women of Jubilee.

A GIFT THAT KEEPS ON GIVING

Becoming a member of Jubilee's Monthly Impact Circle is the gift that keeps on giving. By setting up a reoccurring donation you are ensuring that our ability to aid the most vulnerable women in our community is possible all year long.

If you would like to give a gift in honor, please cut out this gift tag and include it in the provided envelope along with the donation amount.

*To make a one-time donation please send cash or a check in the provided envelope or visit the donations page of our website. From the donations page you can also join the Monthly Impact Circle, learn more about our in-kind needs, or learn about donating your time through volunteer work.
