Open More Doors for Women

LAST YEAR

100%

OF THE WOMEN
SERVED IN
JUBILEE'S HOUSING
PROGRAM ENTERED
DIRECTLY FROM
HOMELESSNESS

It is on long winter nights that the difference between light and dark is the starkest. Outside, it is biting and damp, while inside, it is warm and safe. However, women often find that too many doors are closed to them. Fleeing domestic violence, food insecurity, and homelessness, our neighbors in need take on the daunting work of seeking warmth and protection, hope and opportunity. Too often, doors slam shut, and hope dwindles.

But when a woman crosses the threshold of Jubilee Women's Center, she steps into possibility. With your help, we open the door to her, usher her inside, and provide warmth, hope, and a path forward with respect and dignity.

Jubilee will make room for even more women this year. Your year-end gift equips our program and facilities staff with the resources they need not only to continue their vital work but also to expand our capacity, reorganizing one of our residences to provide shelter and support to an even greater number of women.

This winter, you can help us welcome women inside and offer warmth, hope, and a path forward. There are countless ways to support our mission and to ensure fewer women are left out in the cold and darkness. **Your gift opens doors.**
